

# SIT725

## 12.1P

### GROUP PROJECT DELIVERY (SPRINT 2)

#### Intro

This is the project delivery task.

#### Instructions

**Task 1- Sprint 2 meeting includes the following:**

- Demo your application (maximum 5 minutes);
- 10 minutes for Q&A;
- Mandatory attendance for all group members;
- Total meeting time is 20 minutes;
- **Make sure you have booked a meeting for Week 12.**

**Task 2- Documentation**

- Update your SRS Document, this is your final document to be updated.  
At the end of the SRS, add a new section called “Appendix 2 : Project Delivery” and add the following:
  - Links of Trello board and Git for the project
  - Git Contributors Screenshot (set it to one month), this is in your insights page
  - 2 minutes showcase video- group work
  - A Screenshot of your Trello Board
  - A document with a breakdown of all the tasks completed by each member.
  - A series of screenshots of the current state of your application
  - All the links generated in the previous task
  - Add a 100 words reflection for each participant.

#### Submissions and delivery

upload a pdf document with your updated SRS
